WELCOME TO THE WISSAHICKON SKATING CLUB SUMMER HOCKEY SCHOOL FEATURING THE COLGATE UNIVERSITY MEN'S VARSITY COACHING STAFF.

COACHING PHILOSOPHY

Our coaches are selected for their knowledge of the game and their ability to communicate with youth hockey players, not for their "names." They are people who have demonstrated an abiding love of the game and the young people who play it. They take an analytical, thoughtful approach to each player, committed to fulfilling an optimum experience for all who attend our clinics.
