No refunds or make-up lessons will be given for missed classes. In the event of a late registration, and based upon availability, the fee will be calculated at \$20/session x the total number of all remaining sessions. We are not able to accept prorated payments for just the number of lessons a skater is available to attend. Full payment of the entire series of lessons is expected before the start of the series.

WSC will schedule make-up lessons for classes which we are forced to cancel either due to inclement weather or other unforeseen circumstances. WSC reserves the right to cancel any classes which are under-enrolled.

Wissahickon Skating Club offers basic skating lessons for students interested in learning to skate recreationally or those who wish to progress further in hockey, figure or synchronized skating. We follow the US Figure Skating "Basic Skills" program. Classes start at the Basic I level for the non skater or new beginner and progress through 8 levels of basic skating skills.

Upon completion of Basic 3, skaters may also take our Introduction to Synchronized Skating or Hockey I or Hockey II classes. After a student passes through all of the Basic Skills classes, Freestyle and Moves in the Field classes are offered. Skaters' skills will be checked regularly and they are tested periodically for competency in each level. Once they have successfully completed all of the required skills they are advanced to the next level.

The Group Lesson Director is Kathy Romano. She leads all group lessons and is on the ice during classes. If parents have any questions regarding their child's progress, they may speak with Kathy after class or can leave her a message in her voicemail box at 215-247-1759, ext. #11.
