

GERMANTOWN ACADEMY SUMMER PROGRAMS ICE HOCKEY

Our Ice Hockey camp is for Girls and Boys. Campers will learn the fundamentals of skating, passing, shooting and stickhandling throughout the week. The coaching staff is comprised of former, and current, GA coaches and student-athletes who work well with children and are passionate about the game. Program also includes instructional videos, skills contests and daily games. The GA camp is designed to expose and elevate the hockey IQ of all participants, regardless of skill level. All campers must provide their own ice hockey equipment for camp.
