***NOTE:** The safety of all our skaters is important. Skaters who have not passed the appropriate level required for a session can jeopardize the safety of other skaters and themselves. If you are not the minimal required level to skate alone at a General Freestyle or Intro to Freestyle session, you are ONLY permitted on a General Freestyle or Intro to Freestyle session while in a lesson with a private WSC coach. Thus, if a skater purchases a General Freestyle Membership or Intro to Freestyle Membership and IS NOT the required level to skate General Freestyle alone (passed B6), you may ONLY skate a General Freestyle session if you are in a lesson with a WSC private coach. For skaters new to a freestyle membership, WSC reserves the right to request proof of passing the required test prior to purchasing the membership.*
