

## Wissahickon Warriors Youth Hockey Program

### Spring Skills and Scrimmage Sessions

The below sessions have been added for the spring and are open to all WSC Club Members and guests at \$20 per session. Club accounts will be billed for each session a player attends or families can pay in cash at the door. Players should only attend the sessions for their age group (unless given special permission by Club Staff). No pre-registration is required. There is no charge for goalies.

**All sessions will be run by the 2021-22 WSC Coaching Staffs and will consist of skill development drills (skating, stickhandling, puck control, passing shooting), and scrimmage.**
